MINISTER’S DETERMINATION CONDITIONS OF APPROVAL

Pursuant to Regulation 87-83 under the Clean Environment Act

September 15, 2005

File Number: 4561-3-1050

1. In accordance with section 6(6) of the Regulation, it has been determined that the undertaking may proceed following approval under all other applicable acts and regulations.
2. Commencement of this undertaking must occur within three years of the date of this Determination. Should commencement not be possible within this time period, the undertaking must be registered under the *Environmental Impact Assessment Regulation (87-83) – Clean Environment Act* again, unless otherwise stated by the Minister of Environment and Local Government.
3. The proponent shall adhere to all obligations, commitments, monitoring and mitigation measures presented in the EIA registration document dated July 22, 2005, as well as to those in all subsequent correspondence during the registration review.
4. The proponent must inform the Department of the Environment and Local Government, Regional Office in Saint John no less than 5 days prior to the commencement of construction activity associated with this undertaking. Please contact the Regional Director, Mr. Mike Cormier, at (506) 658-2558 in this regard.
5. The proponent must obtain an Approval to Construct from the Approvals Branch, Environmental Management Division, Department of the Environment and Local Government prior to the commencement of construction activities. Please contact Mr. Perry Haines, Director at (506) 444-4599 for further information.
6. The proponent must apply for an amendment to the current Approval to Operate (No. I-4402) from the Approvals Branch, Environmental Management Division, Department of the Environment and Local Government. Please contact Mr. Perry Haines, Director at (506) 444-4599 for further information.
7. Please contact the Rural Planning District Commission at (506) 453-2956 regarding the requirement to obtain a building permit.
8. If it is suspected that remains of archaeological significance are found during construction, all activity shall be stopped near the find, and the Resource Manager of the Archaeological Services Unit, Heritage Branch of the Culture and Sport Secretariat, shall be contacted at 453-2756 for direction.
