(Canada)

**3.625% Bonds due February 24, 2028**

We will pay interest on the 3.625% Bonds due February 24, 2028 (the “Bonds”) at the rate of 3.625% per year. Interest will be paid on February 24 and August 24 of each year, beginning August 24, 2018. The Bonds will mature on February 24, 2028. Interest will accrue from May 25, 2018. We may not redeem the Bonds before maturity, unless specified events occur involving Canadian taxation.

Application will be made for the Bonds to be admitted to the Official List of the Luxembourg Stock Exchange and for such Bonds to be admitted to trading on the Euro MTF Market of the Luxembourg Stock Exchange (the “Euro MTF Market”). The Euro MTF Market is not a regulated market for purposes of the Markets in Financial Instruments Directive (Directive 2004/39/EC). Unless the context otherwise requires, references in this Prospectus Supplement to the Bonds being “listed” shall mean that the Bonds have been admitted to trading on the Euro MTF Market and have been admitted to the Official List of the Luxembourg Stock Exchange. We have undertaken to the underwriters to use all reasonable efforts to have the Bonds listed on the Euro MTF Market on or as soon as possible after the closing of the issue. We cannot guarantee that these applications will be approved, and settlement of the Bonds is not conditional on obtaining the listing.

**Investing in the Bonds involves risks. See “Risk Factors” beginning on page S-9.**

**Neither the Securities and Exchange Commission (the “SEC”) nor any other regulatory authority has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus supplement dated May 17, 2018 (the “Prospectus Supplement”) and the accompanying base prospectus that became effective on June 26, 2012 (the “Base Prospectus”). Capitalized terms used but not defined herein have the meanings given to them in the Base Prospectus. The words “the Province”, “we”, “our”, “ours” and “us” refer to the Province of New Brunswick.

References in this Prospectus Supplement to the EEA and Member States of the EEA are to the member states of the European Union together with Iceland, Norway and Liechtenstein.

References in this Prospectus Supplement to “\$” and “Canadian dollars” are to lawful money of Canada and “US\$” and “U.S. dollars” are to lawful money of the United States of America. The closing exchange rate between the U.S. dollar and the Canadian dollar published by the Bank of Canada on May 15, 2018 was approximately \$1.00 = US\$1.29.

We expect that delivery of the Bonds will be made against payment therefor on or about the date specified on the cover page of this Prospectus Supplement, which is six business days following the date of pricing of the Bonds (such settlement cycle being herein referred to as “T+6”). You should note that purchasers trading the Bonds prior to settlement may need to specify an alternate settlement cycle. See “Underwriting.”

This Prospectus Supplement does not constitute or form part of any offer or invitation to sell these Bonds and is not soliciting any offer to buy these Bonds in any jurisdiction where such offer or sale is not permitted. The distribution of this Prospectus Supplement and the Base Prospectus and the offering of the Bonds in certain jurisdictions may be restricted by law. In particular, in the case of offers in the EEA, the Bonds may only be offered or sold, directly or indirectly in circumstances that will not result in a requirement for us, the underwriters or any other person to publish a prospectus pursuant to the Prospectus Directive. Persons in whose possession this Prospectus Supplement and the Base Prospectus come should inform themselves about and observe any such restrictions. This Prospectus Supplement and the Base Prospectus do not constitute, and may not be used in connection with, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorized or in which the person making such offer or solicitation is not qualified to do so or to any person to whom it is unlawful to make such offer or solicitation. See “Underwriting”.

This document is for distribution only to persons who (i) have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the “Financial Promotion Order”), (ii) are persons falling within Article 49(2)(a) to (d) (“high net worth companies, unincorporated associations, etc.”) of the Financial Promotion Order, (iii) are outside the United Kingdom, or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) in connection with the issue or sale of any securities may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as “relevant persons”). This document is directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this document relates is available only to relevant persons and will be engaged in only with relevant persons.

The Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (“MiFID II”); (ii) a customer within the meaning of Directive 2002/92/EC (“IMD”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently no key information document required by Regulation (EU) No 1286/2014 (the “PRIIPs Regulation”) for offering or selling the bonds or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

In connection with the issue of the Bonds, the underwriters (or persons acting on their behalf) may over-allot Bonds or effect transactions with a view to supporting the market price of the Bonds at a level higher than that which might otherwise prevail. However, stabilization may not necessarily occur. Any stabilization action may begin on or after the date on which adequate public disclosure of the terms of the offer of the Bonds is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the Bonds and 60 days after the date of the allotment of the Bonds. Any stabilization action or over-allotment must be

conducted by the relevant underwriters (or persons acting on their behalf) in accordance with all applicable laws and rules.

### **ABOUT THIS PROSPECTUS SUPPLEMENT**

We are not, and the underwriters are not, making an offer to sell these Bonds or seeking offers to buy these Bonds in any jurisdiction where the offer or sale is not permitted.

We have filed a registration statement with the SEC covering the portion of the Bonds to be sold in the United States or in circumstances where registration of the Bonds is required. We cannot guarantee that the listing will be approved, and settlement of the Bonds is not conditional on obtaining the listing. The Euro MTF Market is not a regulated market for purposes of the Markets in Financial Instruments Directive. In certain circumstances, we may cease to maintain such listing and agree to use our reasonable efforts to obtain an alternative listing.
<b>Form of bond and settlement:</b>	<p>The Bonds will be issued in the form of one or more fully registered permanent global bonds held in the name of Cede &amp; Co., as nominee of The Depository Trust Company, known as DTC, and will be recorded in a register held by The Bank of New York Mellon, as Registrar. Beneficial interests in the global bonds will be represented through book-entry accounts of financial institutions acting on behalf of beneficial owners as direct and indirect participants in DTC.</p> <p>Investors may elect to hold interests in the global bonds through any of DTC, CDS Clearing and Depository Services Inc., known as CDS, or</p>

Clearstream Banking, S.A., known as Clearstream, or Euroclear Bank SA/NV, known as Euroclear, if they are participants of such systems, or indirectly through organizations which are participants in such systems. CDS will hold interests on behalf of its participants directly through its account at DTC. Clearstream and Euroclear will hold interests as indirect participants of DTC.

Except in limited circumstances, investors will not be entitled to have Bonds registered in their names, will not receive or be entitled to receive Bonds in definitive form and will not be considered holders thereof under the fiscal agency agreement between the Province and the Bank of New York Mellon, relating to the Bonds (the “Fiscal Agency Agreement”).

Bonds will only be sold in minimum aggregate principal amounts of US\$5,000 and integral multiples of US\$1,000 for amounts in excess of US\$5,000. Initial settlement for the Bonds will be made in immediately available funds. Principal of and interest on the Bonds are payable in U.S. dollars.

**Withholding tax:**

Principal of and interest on the Bonds are payable by us without withholding or deduction for Canadian withholding taxes to the extent permitted under applicable law, as set forth in this Prospectus Supplement. See “Description of Bonds — Payment of Additional Amounts”.

**Risk Factors:**

We believe that the following factors represent the principal risks inherent in investing in the Bonds: the Bonds may not be a suitable investment for all investors; there is no active trading market for the Bonds; the Bonds are subject to modification and waiver of conditions in certain circumstances; because the Bonds are held by or on behalf of DTC, investors will have to rely on its procedures for transfer, payment and communication with us; the laws governing the Bonds may change; there is no active trading market for the Bonds; investors may be subject to exchange rate risks and exchange controls; legal investment considerations may restrict certain investments; and we have ongoing normal course business relationships with some of the underwriters and their affiliates that could create the potential for, or perception of, conflict among the interests of underwriters and prospective investors.

We may be contacted at the Province of New Brunswick, Department of Finance, Attention: Assistant Deputy Minister, Treasury Division, 675 King Street, 4<sup>th</sup> Floor, Chancery Place, P.O. Box 6000, Fredericton, New Brunswick, Canada E3B 5H1. Our telephone number is (506) 453-2515. Our fax number is (506) 453-2053.

## USE OF PROCEEDS

After deducting the underwriting discount and our estimated expenses of US\$223,450, our net proceeds will be approximately US\$497,896,550. The net proceeds will be used to refinance maturing debt of the Province, and any remainder will be added to the Consolidated Fund of the Province to be used for general Provincial purposes.

## RISK FACTORS

*We believe that the following factors may be material for the purpose of assessing the market risks associated with the Bonds and the risks that may affect our ability to fulfill our obligations under the Bonds.*

*We believe that the factors described below represent the principal risks inherent in investing in the Bonds but we do not represent that the statements below regarding the risks of holding any Bonds are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Prospectus Supplement and in the Base Prospectus (including any documents deemed to be incorporated by reference herein or therein) and reach their own views prior to making any investment decision.*

### ***The Bonds may not be a suitable investment for all investors***

Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds and the information contained or incorporated by reference in the Base Prospectus, this Prospectus Supplement or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bonds and the impact the Bonds will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds, including where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Bonds and be familiar with the behavior of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial advisor) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

### ***There is no active trading market for the Bonds and an active trading market may not develop***

The Bonds will be new securities which may not be widely distributed and for which there is currently no active trading market. If the Bonds are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and our financial condition. Investors may not be able to sell their Bonds at prices that will provide them with a yield comparable to similar investments that have a more highly developed secondary market. We have undertaken to the underwriters to use all reasonable efforts to have the Bonds listed on the Euro MTF Market as soon as possible after the closing of the issue. We cannot guarantee that our application to list the Bonds will be approved, and settlement of the Bonds is not conditional on obtaining the listing.

### ***The Bonds are subject to modification and waiver of conditions in certain circumstances***

The terms of the Bonds contain provisions for calling meetings of registered holders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all registered holders including registered holders who did not attend and vote at the relevant meeting and registered holders who voted in a manner contrary to the majority.

The terms of the Bonds also provide that the parties to the Fiscal Agency Agreement will be able to enter into agreements supplemental to the Fiscal Agency Agreement to create and issue further bonds ranking *pari passu*

with the Bonds in all respects, or in all respects other than in respect of the date from which interest will accrue and the first interest payment date, and that such further bonds shall be consolidated and form a single series with the Bonds and shall have the same terms as to status, redemption or otherwise as the Bonds.

The terms of the Bonds also provide that the parties to the Fiscal Agency Agreement will be able to amend the Fiscal Agency Agreement and the Bonds without notice to or consent of the registered holders for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective provisions therein, or effecting the issue of further bonds as described above or in any other manner the Province may deem necessary or desirable and which in the reasonable opinion of the parties to the Fiscal Agency Agreement will not adversely affect the interests of the registered holders.

***Because the Bonds are held by or on behalf of DTC, investors will have to rely on its procedures for transfer, payment and communication with us***

The Bonds will be issued in the form of one or more fully registered global bonds which will be deposited with DTC or its nominee. Except in limited circumstances, investors will not be entitled to receive Bonds in definitive form. DTC's records will reflect only the identity of direct DTC participants to whose accounts the Bonds are credited. Direct and indirect participants in DTC will be responsible for keeping records of the beneficial ownership of Bonds on behalf of their customers. Investors will be able to trade their beneficial interests only through DTC and its direct and indirect participants.

We will discharge our payment obligations under the Bonds by making payments to DTC for distribution to its account holders. A holder of a beneficial interest in the Bonds must rely on the procedures of DTC or its participants to receive payments under the Bonds. We have no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in the Bonds.

Holders of beneficial interests in the Bonds will not have a direct right to vote in respect of the Bonds. Instead, those holders will be permitted to act only to the extent that they are enabled by DTC to appoint proxies. Similarly, holders of beneficial interests in the Bonds will not have a direct right under the Bonds to take enforcement action against us in the event of a default under the Bonds.

***The laws governing the Bonds may change***

The terms of the Bonds are based on the laws of the Province of New Brunswick and the federal laws of Canada applicable thereto, as in effect on the date of this Prospectus Supplement. No assurance can be given as to the impact of any possible judicial decision or change to the laws of the Province of New Brunswick or the federal laws of Canada applicable thereto or administrative practice after the date of this Prospectus Supplement.

***Investors may be subject to exchange rate risks and exchange controls***

We will pay principal and interest on the Bonds in U.S. dollars. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than U.S. dollars. These include the risk that exchange rates may significantly change (including changes due to the devaluation or appreciation of the Investor's Currency relative to the U.S. dollar) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the U.S. dollar would decrease (1) the Investor's Currency-equivalent yield on the Bonds, (2) the Investor's Currency-equivalent value of the principal payable on the Bonds and (3) the Investor's Currency-equivalent market value of the Bonds.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

***Legal investment considerations may restrict certain investments***

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisors to determine whether and to what extent (1) the Bonds are legal investments for it, (2) the Bonds can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Bonds. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of the Bonds under any applicable risk-based capital or similar rules. These restrictions may limit the market for the Bonds.

***Our underwriters may have real or perceived conflicts of interest***

Certain of the underwriters and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for us in the ordinary course of business and such activities could create the potential for or perception of conflict among the interests of the underwriters and prospective investors.

**DESCRIPTION OF BONDS**

**General**

Our 3.625% Bonds, due February 24, 2028, in the aggregate principal amount of US\$500,000,000 will be issued under a Fiscal Agency Agreement dated as of May 25, 2018, between us and The Bank of New York Mellon, as registrar, fiscal agent, transfer agent and principal paying agent (the “Registrar”), which defines your rights as a holder of the Bonds.

The information contained in this section and in the Base Prospectus summarizes some of the terms of the Bonds and the Fiscal Agency Agreement. You should read the information set forth below together with the section “Description of Debt Securities” in the Base Prospectus, which summarizes the general terms of the Bonds and the Fiscal Agency Agreement. This Prospectus Supplement describes the terms of the Bonds in greater detail than the Base Prospectus and may provide information that differs from the Base Prospectus. If the information in this Prospectus Supplement differs from the Base Prospectus, you should rely on the information in this Prospectus Supplement. You should also read the Fiscal Agency Agreement and the exhibits thereto, including the form of Global Bonds (as defined below), for a full description of the terms of the Bonds. A copy of the Fiscal Agency Agreement and its exhibits will be available for inspection at our office.

References to principal and interest in respect of the Bonds shall be deemed also to refer to any Additional Amounts which may be payable as described below. See “Payment of Additional Amounts.”

**Status of the Bonds**

The Bonds will be our direct unsecured obligations and as among themselves will rank *pari passu* and be payable without any preference or priority. The Bonds will rank equally with all of our other unsecured and unsubordinated indebtedness and obligations from time to time outstanding. Payments of principal of and interest on the Bonds will be a charge on and payable out of the Consolidated Fund of the Province.

**Form, Denomination and Registration**

The Bonds will be issued in the form of one or more fully registered global bonds (“Global Bonds”) registered in the name of Cede & Co., as nominee of DTC, and held by The Bank of New York Mellon as custodian for DTC, or the DTC Custodian. Beneficial interests in the Global Bonds will be represented through book-entry accounts of financial institutions acting on behalf of beneficial owners as direct and indirect participants in DTC. Investors may elect to hold interests in the Global Bonds through any of DTC (in the United States), CDS (in Canada) or Clearstream or Euroclear (in Europe and in Asia) if they are participants of such systems, or indirectly through organizations which are participants in such systems. CDS will hold interests on behalf of its participants directly through its account at DTC and Clearstream and Euroclear will hold interests on behalf of their participants through customers’ securities accounts in Clearstream and Euroclear’s names on the books of their respective depositories (“U.S. Depositories”), which in turn will hold such interests in customers’ securities accounts in the

U.S. Depositories' names on the books of DTC. Except in the limited circumstances described herein, owners of beneficial interests in the Global Bonds will not be entitled to have Bonds registered in their names, will not receive or be entitled to receive Bonds in definitive form and will not be considered registered holders thereof under the Fiscal Agency Agreement. See "Title" and "Definitive Certificates."

Bonds will only be sold in minimum aggregate principal amounts of US\$5,000 and integral multiples of US\$1,000 for amounts in excess of US\$5,000.

All Bonds will be recorded in a register maintained by the Registrar, and will be registered in the name of Cede & Co., for the benefit of owners of beneficial interests in the Global Bonds, including those beneficial owners which are participants of CDS, Clearstream and Euroclear.

The Registrar will not impose any fees in respect of the Bonds, other than reasonable fees for the replacement of lost, stolen, mutilated or destroyed Bonds; however, we may require of the party requesting such transfer or exchange, as a condition precedent to the exercise of any right of transfer or exchange contained in the Fiscal Agency Agreement or in the Bonds, the payment of a sum sufficient to cover any stamp or other tax or other governmental charge payable in connection therewith. In addition, owners of beneficial interests in the Global Bonds may incur fees payable in respect of the maintenance and operation of the book-entry accounts in which such interests are held with the clearing systems. The Province and the fiscal agent will not be required to make any exchange of Bonds if, as a result thereof, we may incur adverse tax or other similar consequences under the laws or regulations of any jurisdiction in effect at the time of the exchange.

#### **Title**

Subject to applicable law and the terms of the Fiscal Agency Agreement, we, the Registrar, and any paying agent appointed pursuant to the Fiscal Agency Agreement shall deem and treat the registered holders of the Bonds as the absolute owners thereof for all purposes whatsoever notwithstanding any notice to the contrary; and all payments to or on the order of the registered holders shall be valid and effectual to discharge our liability and that of the Registrar in respect of the Bonds to the extent of the sum or sums so paid.

#### **Interest**

The Bonds will bear interest from and including May 25, 2018 at a rate of 3.625% per annum. Interest will be payable in two equal semi-annual installments in arrears on February 24 and August 24 of each year. Interest will be payable to the persons in whose name the Bonds are registered at the close of business on the preceding February 9 or August 9 (the regular record dates), as the case may be. Interest on the Bonds will cease to accrue on the date fixed for redemption or repayment unless payment of principal is improperly withheld or refused. Any overdue principal or interest on the Bonds shall bear interest at the rate of 3.625% per annum (before and after judgment) until paid, or if earlier, when the full amount of the monies payable has been received by the Registrar and notice to that effect has been given in accordance with "Notices" below. Interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

#### **Yield**

The yield, 3.641%, is calculated as the semi-annual expected return based on the cash flows of the Bonds assuming one continuous re-investment rate for periodic interest payments. The yield is calculated at the issue date on the basis of the initial public offering price. It is not an indication of future yield.

#### **Payments**

Principal of and interest on the Bonds (including Bonds in definitive form if issued in exchange for the Global Bonds as described under "Definitive Certificates") are payable by us in such coin or currency of the United States as at the time of payment is legal tender for the payment of public or private debts to the persons in whose names the Bonds are registered on the record date preceding any interest payment date, the Maturity Date or the date of redemption, as the case may be. Ownership positions within each clearing system will be determined in

accordance with the normal conventions observed by such system. The Registrar will act as our principal paying agent for the Bonds pursuant to the Fiscal Agency Agreement. The Registrar will pay amounts received from the Province directly to Cede & Co. Neither we nor the Registrar will have any responsibility or liability for any aspect of the records of DTC, CDS, Clearstream or Euroclear relating to, or payments made by DTC, CDS, Clearstream or Euroclear on account of, beneficial interests in the Global Bonds or for maintaining, supervising or reviewing any records of DTC, CDS, Clearstream or Euroclear relating to such beneficial interests. With respect to payments on Bonds issued in definitive form, see “Definitive Certificates”.

If any date for payment in respect of any Bond is not a business day, the registered holder thereof shall not be entitled to payment until the next following business day, and no further interest shall be paid in respect of the delay in such payment, unless such next following business day falls in the next succeeding calendar month, in which case the related payment will be made on the immediately preceding business day as if made on the date such payment was due. In this paragraph “business day” means a day other than a Saturday or Sunday on which banking institutions in the City of New York and the City of Toronto are not authorized or obligated by law or executive order to be closed. If the Bonds have been issued in definitive form and a date for payment is a business day but is a day on which any paying agent is closed at the applicable place of payment, a registered holder will not be entitled to payment at such location until the next succeeding day other than a Saturday or Sunday on which banking institutions in such place of payment are not generally authorized or obligated by law or executive order to be closed, and no further interest shall be paid in respect of the delay in such payment.

If definitive Bonds are issued and for so long as the Bonds are listed on the Luxembourg Stock Exchange and the rules of such stock exchange so require, the Province will appoint and maintain a paying and transfer agent in Luxembourg.

#### **Further Issues**

We may, from time to time, without notice to or the consent of the registered holders of the Bonds, create and issue further bonds ranking *pari passu* with the Bonds in all respects (or in all respects except for the payment of interest accruing prior to the issue date of such further bonds or except for the first payment of interest following the issue date of such further bonds) so that such further bonds shall be consolidated and form a single series with the Bonds and shall have the same terms as to status, redemption or otherwise as the Bonds. Any further bonds shall be issued subject to agreements supplemental to the Fiscal Agency Agreement.

#### **Payment of Additional Amounts**

All payments of, or in respect of, principal of and interest on the Bonds will be made without withholding of or deduction for, or on account of, any present or future taxes, duties, assessments or charges of whatsoever nature imposed or levied by or on behalf of the Government of Canada, or any province or political subdivision thereof, or any authority thereof or agency therein having power to tax, unless such taxes, duties, assessments or charges are required by law or by the administration or interpretation thereof to be withheld or deducted. In that event, we (subject to our right of redemption described herein) will pay to the registered holders of the Bonds such additional amounts (the “Additional Amounts”) as will result (after withholding or deduction of any such taxes, duties, assessments or charges) in the payment to the holders of Bonds of the amounts which would otherwise have been payable in respect of the Bonds in the absence of such taxes, duties, assessments or charges, except that no such Additional Amounts shall be payable with respect to any Bond presented for payment:

- (a) by or on behalf of a beneficial owner who is subject to such taxes, duties, assessments or charges in respect of such Bond by reason of such beneficial owner being connected with Canada otherwise than merely by the ownership of such Bond or receipt of income therefrom;
- (b) more than 15 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such Additional Amounts on the last day of such period of 15 days. For this purpose, the “Relevant Date” in relation to any Bond means whichever is the later of:
  - (i) the date on which the payment in respect of such Bond becomes due and payable; or

- (ii) if the full amount of the monies payable on such date in respect of such Bond has not been received by the Registrar on or prior to such date, the date on which notice is duly given to the holders of Bonds that such monies have been so received; or
- (c) as a result of any tax, assessment, withholding or deduction required by Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (“FATCA”), any current or future U.S. Treasury Regulations or rulings promulgated thereunder, any law, regulation or other official guidance enacted in any jurisdiction implementing FATCA, any intergovernmental agreement between the United States and any other jurisdiction to implement FATCA, or any agreement with the U.S. Internal Revenue Service under FATCA.

### **Maturity, Redemption and Purchases**

The principal amount of the Bonds shall be due and payable on February 24, 2028 (the “Maturity Date”). The Bonds are not redeemable prior to the Maturity Date unless specified events occur involving Canadian taxation as provided below.

The Bonds may be redeemed at our option in whole, but not in part, at any time, on giving not less than 30 days’ and not more than 60 days’ notice to registered holders of Bonds in accordance with “Notices” below (which notice shall be irrevocable), at 100% of the principal amount thereof, together with interest accrued thereon to the date fixed for redemption, if (a) we have paid or we will become obliged to pay Additional Amounts as provided or referred to in “Payment of Additional Amounts” above as a result of any change in, or amendment to, the laws or regulations of Canada, or any province or political subdivision thereof, or any authority thereof or agency therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date of this Prospectus Supplement, and (b) such obligation cannot be avoided by our taking reasonable measures available to us, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which we would be obliged to pay such Additional Amounts were a payment in respect of the Bonds then due. Prior to the publication of any notice of redemption pursuant to this paragraph, we shall deliver to the Registrar a certificate signed by one of our officials stating that we are entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to our right so to redeem have occurred.

We may, if not in default under the Bonds, at any time purchase Bonds in the open market, or by tender or by private contract at any price and may or may not cause the Registrar to cancel any Bonds so purchased.

### **Definitive Certificates**

No beneficial owner of Bonds will be entitled to receive Bonds in definitive form except in the limited circumstances described below.

If DTC notifies us that it is unwilling or unable to continue as depository in connection with the Global Bonds or ceases to be a clearing agency registered under the U.S. Securities Exchange Act of 1934, as amended (the “Exchange Act”) and a successor depository is not appointed by us within a reasonable period after receiving such notice or becoming aware that DTC is no longer so registered, we will issue or cause to be issued fully registered Bonds in definitive form upon registration of transfer of, or in exchange for, the Global Bonds. We may also at any time and in our sole discretion determine not to have any of the Bonds held in the form of the Global Bonds and, in such event, we will issue or cause to be issued fully registered Bonds in definitive form upon registration of transfer of, or in exchange for, such Global Bonds.

If definitive Bonds are issued and for so long as the Bonds are listed on the Luxembourg Stock Exchange and the rules of such stock exchange so require, the Province will appoint and maintain a paying and transfer agent in Luxembourg. Payments of interest on fully registered Bonds in definitive form will be made by the Registrar by cheque or wire transfer in accordance with the Fiscal Agency Agreement. Fully registered Bonds in definitive form may be surrendered at the office of the paying agent for payment of principal at maturity or on the date fixed for redemption.

## Modification

The Fiscal Agency Agreement and the Bonds may be amended or supplemented by us on the one hand, and the Registrar, on the other hand, without notice to or the consent of the registered holder of any Bond, for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provisions contained therein, or effecting the issue of further bonds as described under “Further Issues” above, or in any other manner which we may deem necessary or desirable and which, in our reasonable opinion, on the one hand, and that of the Registrar, on the other hand, will not adversely affect the interests of the holders of Bonds.

The Fiscal Agency Agreement will contain provisions for convening meetings of registered holders of Bonds to consent by Extraordinary Resolution (as defined below) to any modification or amendment proposed by us to the Fiscal Agency Agreement (except as provided in the immediately preceding paragraph) and the Bonds (including the terms and conditions thereof). An Extraordinary Resolution duly passed at any such meeting shall be binding on all registered holders of Bonds, whether present or not; *provided, however*, that no such modification or amendment to the Fiscal Agency Agreement or to the terms and conditions of the Bonds may, without the consent of the registered holder of each such Bond affected thereby: (a) change the Maturity Date of any such Bond or change any interest payment date; (b) reduce the principal amount of any such Bond or the rate of interest payable thereon; (c) change the currency of payment of any such Bond; (d) impair the right to institute suit for the enforcement of any payment on or with respect to such Bond; or (e) reduce the percentage of the principal amount of Bonds necessary for the taking of any action, including modification or amendment of the Fiscal Agency Agreement or the terms and conditions of the Bonds, or reduce the quorum required at any meeting of registered holders of Bonds.

The term “Extraordinary Resolution” will be defined in the Fiscal Agency Agreement as a resolution passed at a meeting of registered holders of Bonds by the affirmative vote of the registered holders of not less than 66 <sup>2</sup>/<sub>3</sub>% of the principal amount of the Bonds represented at the meeting in person or by proxy and voting on the resolution or as an instrument in writing signed by the registered holders of not less than 66 <sup>2</sup>/<sub>3</sub>% in principal amount of the outstanding Bonds. The quorum at any such meeting for passing an Extraordinary Resolution will be one or more persons being or representing registered holders of Bonds with at least a majority in principal amount of the Bonds at the time outstanding, or at any adjourned meeting called by us or the Registrar, one or more persons being or representing registered holders of Bonds whatever the principal amount of the Bonds so held or represented.

So long as the Bonds are listed on the Luxembourg Stock Exchange and the laws and regulations of the Luxembourg Stock Exchange so require, notice of any amendment will be published in a leading newspaper having general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or on the Luxembourg Stock Exchange website at [www.bourse.lu](http://www.bourse.lu).

## Governing Law

The Bonds and the Fiscal Agency Agreement will be governed by, and construed in accordance with, the laws of the Province of New Brunswick and the federal laws of Canada applicable in the Province of New Brunswick.

## Notices

All notices will be published in English in *The Wall Street Journal* in New York and *The Globe and Mail* in Toronto. If at any time publication in any such newspaper is not practicable, notices will be valid if published in an English language newspaper with general circulation in the respective market regions as we shall determine. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made. As long as the Bonds are listed on the Luxembourg Stock Exchange, and the rules of the Luxembourg Stock Exchange so require, notices will be published in a leading newspaper having general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or on the Luxembourg Stock Exchange website, currently at [www.bourse.lu](http://www.bourse.lu). Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made.

There may, so long as any Global Bonds representing the Bonds are held in their entirety on behalf of DTC, be substituted for such publication in such newspaper(s) or such websites the delivery of the relevant notice to DTC for communication by it to the holders of interests in the Bonds and, in addition, for so long as any Bonds are listed on the Luxembourg Stock Exchange and the rules and regulations of the Luxembourg Stock Exchange so require, such notice will be published on the website of the Luxembourg Stock Exchange and/or in a daily newspaper of general circulation in the place or places required by those rules and regulations. Any such notice shall be deemed to have been given to the holders of interests in such Bonds on the day after the day on which such notice was given to DTC.

### **Prescription**

Our obligation to pay an amount of interest on the Bonds will cease if a claim for the payment of such interest is not made within the lesser of six years, or the period prescribed by law, after the date on which such interest becomes due and payable. Our obligation to pay the principal amount of the Bonds will cease if the Bonds are not presented for payment within the lesser of six years, or the period prescribed by law, after the date on which such principal becomes due and payable.

### **No Obligation to Maintain Listing**

If the Province determines that it is unduly onerous to maintain the listing of the Bonds on the Luxembourg Stock Exchange, then the Province may delist the Bonds from the Luxembourg Stock Exchange. If the listing of the Bonds is so terminated, prior to such termination the Province will use its best efforts to seek an alternative admission to listing, trading and/or quotation of such Bonds by another listing authority, securities exchange and/or quotation service, reasonably acceptable to the underwriters, provided that the Province is not required to seek an alternative admission to, listing, trading and/or quotation of the Bonds on any such authority or service where it would be, as determined by the Province, impractical or unduly burdensome to do so.

## **CLEARING AND SETTLEMENT**

Links have been established among DTC, CDS, Clearstream and Euroclear to facilitate the initial issuance of the Bonds and cross-market transfers of the Bonds associated with secondary market trading. DTC will be directly linked to CDS, and linked indirectly to Clearstream and Euroclear through the DTC accounts of their respective U.S. Depositories.

### **The Clearing Systems**

The clearing systems have advised us as follows:

**DTC.** DTC is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds and provides asset servicing for securities that its participants (“Direct Participants”) deposit with DTC. DTC also facilitates post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, the National Securities Clearing Corporation and Fixed Income Clearing Corporation; all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants” and, together with Direct Participants, “DTC Participants”). The DTC rules applicable to DTC and its Direct and Indirect Participants are on file with the SEC.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (a "beneficial owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial owners will not receive written confirmation from DTC of their purchase, but beneficial owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the beneficial owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of beneficial owners. Beneficial owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual beneficial owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the beneficial owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct and Indirect Participants to beneficial owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds. Under its usual procedures, DTC mails an "omnibus proxy" to the Province as soon as possible after the applicable record date. The omnibus proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the applicable record date (identified in a listing attached to the omnibus proxy).

Principal and interest payments on the Bonds will be made to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC). DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the Province or the applicable Registrar, on the applicable payment date in accordance with their respective holdings shown on DTC's records. Payments by DTC Participants to beneficial owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC, the Registrar or the Province, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Province or the Registrar, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the beneficial owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the Province or the Registrar. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds in definitive form are required to be printed and delivered to each holder.

The Province may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds in definitive form will be printed and delivered to each holder.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Province believes to be reliable, but is subject to any changes to the arrangements between the Province and DTC and any changes to such procedures that may be instituted unilaterally by DTC.

**CDS.** CDS is Canada's national securities depository clearing and settlement services organization. Functioning as a service utility for the Canadian financial community, CDS provides a variety of computer automated services for financial institutions and investment dealers active in domestic and international capital

markets. CDS participants (“CDS Participants”) include banks, investment dealers and trust companies and may include the underwriters and/or certain of their affiliates. Indirect access to CDS is available to other organizations that clear through or maintain a custodial relationship with a CDS Participant. Transfers of ownership and other interests, including cash distributions, in Bonds in CDS may only be processed through CDS Participants and will be completed in accordance with existing CDS rules and procedures.

**Clearstream.** Clearstream Banking, S.A. (“Clearstream”) holds securities for its customers and facilitates the clearance and settlement of securities transactions between Clearstream customers (“Clearstream Participants”) through electronic book-entry changes in accounts of Clearstream Participants, thereby eliminating the need for physical movement of certificates. Clearstream provides to its customers, among other things, services for safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Clearstream also deals with domestic securities markets in many countries through established depository and custodial relationships.

Clearstream Participants are world-wide financial institutions including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Clearstream is available to other institutions that clear through or maintain a custodial relationship with an account holder of Clearstream. Clearstream has established an electronic bridge with Euroclear Bank SA/NV (“Euroclear”) as the operator of the Euroclear System (the “Euroclear Operator”) in Brussels to facilitate settlement of trades between Clearstream and the Euroclear Operator.

Distributions of interest and principal with respect to Bonds held beneficially through Clearstream will be credited to cash accounts of Clearstream Participants in accordance with its rules and procedures, to the extent received by the U.S. Depository for Clearstream.

**Euroclear.** Euroclear holds securities and book-entry interests in securities for participating organizations and facilitates the clearance and settlement of securities transactions between participants (“Euroclear Participants”) as defined in the Terms and Conditions Governing Use of Euroclear as amended from time to time (the “Terms and Conditions”) and between Euroclear Participants and participants of certain other securities settlement systems through electronic book-entry changes in accounts of such participants or through other securities intermediaries.

Euroclear provides Euroclear Participants, among other things, with safekeeping, administration, clearance and settlement, securities lending and borrowing, and related services. Euroclear Participants are investment banks, securities brokers and dealers, banks, central banks, supranationals, custodians, investment managers, corporations, trust companies and certain other organizations.

Non-participants in the Euroclear System may hold and transfer book-entry interests in securities through accounts with a Euroclear Participant in the Euroclear System or any other securities intermediary that holds a book-entry interest in the securities through one or more securities intermediaries standing between such other securities intermediary and Euroclear.

Distributions of interest and principal with respect to Bonds held beneficially through Euroclear will be credited to cash accounts of Euroclear Participants in accordance with its rules and procedures, to the extent received by the U.S. Depository for Euroclear.

#### **Global Clearance and Settlement Procedures**

Initial settlement for the Bonds will be made in immediately available funds.

Secondary market trading between DTC Participants will occur in the ordinary way in accordance with DTC rules. Secondary market trading between CDS Participants will be in accordance with market conventions applicable to transactions in book-based Canadian domestic bonds. Secondary market trading between Clearstream Participants and/or Euroclear Participants will occur in the ordinary way in accordance with the applicable rules and operating procedures of Clearstream and Euroclear and will be settled using the procedures applicable to conventional eurobonds in immediately available funds.

**Transfers Between DTC and CDS, Clearstream or Euroclear.** Cross-market transfers between persons holding directly or indirectly through DTC, on the one hand, and directly or indirectly through CDS Participants, Clearstream Participants or Euroclear Participants, on the other, will be effected in DTC in accordance with DTC rules on behalf of the relevant international clearing system by its U.S. Depository. However, such cross-market transactions will require delivery of instructions to the relevant international clearing system by the counterparty in such system in accordance with its rules and procedures and within its established deadlines. The relevant international clearing system will, if the transaction meets its settlement requirements, deliver instructions to DTC directly (in the case of CDS) or through its U.S. Depository (in the case of Clearstream or Euroclear) to take action to effect final settlement on its behalf by delivering or receiving Bonds in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. CDS Participants, Clearstream Participants and Euroclear Participants may not deliver instructions directly to DTC or the respective U.S. Depository of Clearstream or Euroclear.

Because of time-zone differences, credits of Bonds received in Clearstream or Euroclear as a result of a transaction with a DTC Participant will be made during subsequent securities settlement processing and will be dated the business day following the DTC settlement date. Such credits or any transactions in such bonds settled during such processing will be reported to the relevant Clearstream Participants or Euroclear Participants on such business day. Cash received in Clearstream or Euroclear as a result of sales of Bonds by or through a Clearstream Participant or a Euroclear Participant to a DTC Participant will be received with value on the DTC settlement date but will be generally available in the relevant Clearstream or Euroclear cash account only as of the business day following settlement in DTC.

**Transfers Between Clearstream, Euroclear and CDS.** Cross-market transfers between Clearstream Participants, Euroclear Participants and CDS Participants will be effected in DTC.

When Bonds are to be transferred from the account of a CDS Participant to the account of a Clearstream Participant or Euroclear Participant, the CDS Participant will transmit instructions to CDS on settlement date. The Clearstream Participant or Euroclear Participant will transmit instructions to Clearstream or Euroclear at least one business day prior to settlement date. One business day prior to settlement date Clearstream, and on settlement date Euroclear, will transmit trade instructions to its respective U.S. Depository. The beneficial interests in the Bonds and payments for such beneficial interests will be transferred in DTC by CDS and the respective U.S. Depositories for Clearstream and Euroclear.

Although DTC, CDS, Clearstream and Euroclear have agreed to the foregoing procedures in order to facilitate transfers of Bonds among their respective participants, they are under no obligation to perform or continue to perform such procedures and such procedures may be changed or discontinued at any time.

## TAXATION

### Canadian Taxation

Please refer to the statements under “Description of Debt Securities — Canadian Income Tax Considerations” in the Base Prospectus for a summary of the material Canadian federal income tax considerations, generally applicable to a holder of Bonds acquired pursuant to this Prospectus Supplement who, for the purposes of the *Income Tax Act* (Canada), is a Non-resident Holder (as defined in the Base Prospectus). A Non-resident Holder will not be subject to tax (including withholding tax) under the *Income Tax Act* (Canada) on interest on the Bonds.

### United States Taxation

Please refer to the statements under “Description of Debt Securities — United States Income Tax Considerations” in the Base Prospectus for a summary of the material United States federal income tax considerations regarding the purchase, ownership and disposition of the Bonds to U.S. Holders (as defined in the Base Prospectus) who are initial purchasers of Bonds purchasing Bonds at the price set forth on the cover page of this Prospectus Supplement. The discussion therein does not address the consequences to taxpayers subject to special tax accounting rules under Section 451(b) of the Code.

### The Proposed European Financial Transactions Tax

On February 14, 2013, the European Commission published a proposal (the “Commission’s Proposal”) for a Directive for a common financial transactions tax (“FTT”) in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the “participating Member States”). However, Estonia has since stated that it will not participate.

The Commission’s Proposal has very broad scope and could, if introduced, apply to certain dealings in Notes (including secondary market transactions) in certain circumstances.

Under the Commission’s Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Bonds where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, “established” in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

Prospective holders of Bonds are advised to seek their own professional advice in relation to the FTT.

### United Kingdom Taxation

The statements under “Description of Debt Securities — United Kingdom Taxation” in the Base Prospectus will only be applicable in the event that the Bonds are admitted to the Official List of the United Kingdom Listing Authority and admitted to trading on the London Stock Exchange plc’s Regulated Market.

## UNDERWRITING

Subject to the terms and conditions set forth in the underwriting agreement dated May 17, 2018, each of the underwriters named below, for whom RBC Capital Markets, LLC, Scotia Capital (USA) Inc. and TD Securities (USA) LLC are acting as representatives, have severally agreed to purchase, and we have agreed to sell to the underwriters, the respective principal amount of Bonds set forth opposite its name below.

<b>Underwriter</b>	<b>Principal Amount</b>
RBC Capital Markets, LLC	US\$140,000,000
Scotia Capital (USA) Inc.	140,000,000
TD Securities (USA) LLC	140,000,000
BMO Capital Markets Corp.	20,000,000
CIBC World Markets Corp.	20,000,000
Merrill Lynch, Pierce, Fenner & Smith Incorporated	20,000,000
National Bank of Canada Financial Inc.	20,000,000
Total	<b>US\$500,000,000</b>

Under the terms and conditions of the underwriting agreement, the underwriters are committed to take and pay for all of the Bonds, if any are taken. We have undertaken to the underwriters to use all reasonable efforts to have the Bonds listed on the Luxembourg Stock Exchange as soon as possible after the closing of the issue. We cannot guarantee that the listing will be approved, and settlement of the Bonds is not conditional on obtaining the listing.

The underwriters have advised the Province that they propose initially to offer the Bonds directly to the public at the offering price set forth on the cover page of this Prospectus Supplement. After the Bonds are released for sale to the public, the offering price terms may be changed.

There is no application period. Prospective investors may subscribe for Bonds in accordance with the arrangements existing between the underwriters and their customers relating to the subscription of global bonds generally.

There is no set timetable for the offering. Generally, sales representing the entire aggregate principal amount of the offering are confirmed by the underwriters shortly after the initial pricing terms are settled.

Investors commit to purchasing the Bonds when sales are confirmed by the underwriters. No investor in the Bonds is required to pay in advance of delivery an amount that may be in excess of the total price for the Bonds purchased.

The underwriters will allot Bonds to prospective investors and notification of the allotment will be made in accordance with the arrangements existing between the underwriters and their customers relating to the allotment of global bonds generally. The Bonds are generally freed to trade shortly after the initial pricing terms are settled and notification of allotment is made.

The Bonds are offered for sale in the United States, Canada and those jurisdictions in Europe and Asia where it is legal to make such offers.

Purchasers may be required to pay stamp taxes and other charges in accordance with the laws and practices of the country of purchase in addition to the public offering price set forth on the cover page of this Prospectus Supplement.

We expect that delivery of the Bonds will be made against payment therefor on or about May 25, 2018, which is six business days following the date of pricing of the Bonds (this settlement cycle being referred to as "T+6"). Under Rule 15c6-1 of the Exchange Act, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish

to trade their Bonds on the date of pricing or the next three succeeding business days will be required, by virtue of the fact that the Bonds initially will settle in T+6, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of Bonds who wish to trade their Bonds on the date of pricing or the next three succeeding business days should consult their own advisors.

The Bonds are a new issue of securities with no established trading market. The Province has been advised by the underwriters that the underwriters intend to make a market in the Bonds, but are not obligated to do so and may discontinue market making at any time without notice. No assurance can be given as to the liquidity of, or the trading market for, the Bonds.

In connection with the issue of the Bonds, the underwriters (or persons acting on their behalf) may over-allot Bonds or effect transactions with a view to supporting the market price of the Bonds at a level higher than that which might otherwise prevail. However, stabilization may not necessarily occur. Any stabilization action may begin on or after the date on which adequate public disclosure of the terms of the offer of the Bonds is made and, if begun, may cease at any time, but it must end no later than the earlier of 30 days after the issue date of the Bonds and 60 days after the date of the allotment of the Bonds. Any stabilization action or over-allotment must be conducted by the underwriters (or persons acting on their behalf) in accordance with all applicable laws and rules.

The Province has agreed to indemnify the underwriters against certain liabilities, including liabilities under the U.S. Securities Act of 1933, as amended (the "Securities Act"). We estimate that we will pay approximately US\$223,450 for expenses associated with the offering of the Bonds.

Some of the underwriters and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with us or our affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions.

In addition, the underwriters have advised us that they or their affiliates might engage in the activities described in this paragraph, and that such activities could, and likely would, be undertaken by the underwriters or their affiliates without our being informed and without our consent or approval. In the ordinary course of their business activities, the underwriters and their affiliates may make or hold a broad array of investments and actively trade securities and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and activities may involve securities and/or instruments of ours or our affiliates. If any of the underwriters or any of their affiliates have a lending relationship with us, those underwriters or their affiliates may hedge their credit exposure to us consistent with their customary risk management policies. Typically, the underwriters and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in our securities, including potentially the bonds offered hereby. Any such credit default swaps or short positions could affect future trading prices of the Bonds offered hereby. The underwriters and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

The underwriters have agreed that they will not offer, sell or deliver any of the Bonds, directly or indirectly, or distribute this Prospectus Supplement or Base Prospectus or any other offering material relating to the Bonds, in or from any jurisdiction except under circumstances that will, to the best of their knowledge, after reasonable investigation, result in compliance with the applicable laws and regulations thereof and which will not impose any obligations on us except as set forth in the underwriting agreement.

#### **Notice to Prospective Investors in the European Economic Area**

In relation to each Member State of the European Economic Area, each of the underwriters has represented and agreed that with effect from and including the date on which the Prospectus Directive was implemented in that Member State (the "Relevant Implementation Date") it has not made and will not make an offer of Bonds which are the subject of the offering contemplated by this Prospectus Supplement to the public in that Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Bonds to the public in that Member State:

- (a) to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive), as permitted under the Prospectus Directive, subject to obtaining the prior consent of the relevant underwriter or underwriters nominated by the Province for any such offer; or
- (c) in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Bonds shall require the Province or any underwriter to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

The expression “Prospectus Directive” means Directive 2003/71/EC (as amended), and includes any relevant implementing measure in the Member State.

#### AUTHORIZED AGENT

Our authorized agent in the United States is Cogency Global Inc.

#### GENERAL INFORMATION

We have undertaken to the underwriters to use all reasonable efforts to have the Bonds listed on the Euro MTF Market as soon as possible after the closing of the issue. We cannot guarantee that the listing will be approved, and settlement of the Bonds is not conditional on obtaining the listing.

The Bonds will be accepted for clearance through DTC, CDS, Clearstream and Euroclear. The Common Code for the Bonds is 182649961, the ISIN number for the Bonds is US642869AM37 and the CUSIP number for the Bonds is 642869 AM3.

The issue and sale of the Bonds was authorized by Order of the Lieutenant-Governor in Council of New Brunswick dated March 14, 2018 and the *Provincial Loans Act* (New Brunswick).

Except as disclosed in this Prospectus Supplement or in the Base Prospectus (including the documents incorporated by reference herein), there are no governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which the Province is aware), during a period covering the 12 months preceding the date of this Prospectus Supplement which may have, or have had in the recent past, significant effects on the Province’s financial position.

The Province is involved in various legal proceedings arising from government activities. Amounts totaling \$27.9 million (\$28.7 million in 2016) have been accrued as of March 31, 2017, which represents the Province’s best estimate of the likely losses due to legal actions. The Province is also involved in various legal actions that, although significant, do not have reasonably foreseeable outcomes at this time and are expected to be years away from resolution. These actions include claims by or on behalf of pensioners and government employees challenging the Province’s pension reform legislation, as well as First Nations seeking Aboriginal title to land areas of the Province alleged to be traditional territory fulfilling the varied legal criteria for title claims. The Province is also defending Aboriginal litigation where infringement of Aboriginal and Treaty rights is alleged in the context of the Province’s duty to consult with First Nations wherever the Province contemplates a natural resource activity that has the potential to infringe those rights.

New Brunswick issues debt that requires the payment of principal at the maturity of the bond rather than repaying a portion of principal each year. The Province maintains a sinking fund to provide a mechanism for the orderly retirement of long-term Provincial debt. To comply with the Provincial Loans Act, the Province must contribute annually a minimum of 1% of the principal amount outstanding.

The documents incorporated by reference in this Prospectus Supplement or the Base Prospectus are available from the SEC’s Electronic Document Gathering and Retrieval System (<http://www.sec.gov>), which is commonly known by the acronym EDGAR, and from the office of the Province.

If definitive Bonds are issued and for so long as the Bonds are listed on the Luxembourg Stock Exchange and the rules of such stock exchange so require, the Province will appoint and maintain a paying and transfer agent in Luxembourg.
