

Camping on Crown Lands in New Brunswick

Camping on Crown land for a **short period of time** is permitted provided the following rules are respected.

- ▶ Recreational vehicles (RVs), including travel trailers, truck campers, hard-top trailers, homemade trailers may **not** be set up within 75 metres of the shoreline of a waterway. This 75 metre 'setback' does not apply to tent camping.
- ▶ RVs may be set up **only** in remote areas where licensed campgrounds do not exist.
- ▶ It is **illegal** to discharge wastewater on Crown lands or into a waterway. RVs must be equipped with appropriate sewage and gray water holding systems.
- ▶ Access must **not** be restricted to roads, trails, waterways or other Crown lands.
- ▶ Use Crown lands and associated resources **at your own risk** – plan and act accordingly.
- ▶ Respect the rights of other Crown land users.
- ▶ Do **not** cut or remove trees or natural vegetation without a permit.
- ▶ Respect all plants and animals (including fish) and their habitat.
- ▶ Carry out or remove **everything** you bring to a site.
- ▶ Leave a site in the **same condition** that you found it in.

Violation of these rules may result in an order to remove an RV or tent from Crown lands. Failure to obey an order may result in court action, and people may be barred from future use of Crown lands.

Additional Protection

Camping is not permitted on some Crown land sites because of environmental, health, or safety concerns. These sites will be posted.

This is not a legal document. People using Crown lands are responsible to know the current rules and regulations.
