

# APPRENTICESHIP AND OCCUPATIONAL CERTIFICATION

## Board Order

*This is an order of the New Brunswick Apprenticeship and Occupational Certification Board made pursuant to section 13 of the Apprenticeship and Occupational Certification Act.*

<b>Title:</b>	<b>Tasks, Activities and Functions of a Designated Occupation</b>
<b>Category:</b>	Voluntary
<b>Occupation:</b>	Cabinetmaker
<b>Board Order Number:</b>	V004.1
<b>Board Order Date:</b>	January 17, 2013
<b>Effective Date:</b>	December 1, 2013

---

### SCOPE OF THE OCCUPATION

The cabinetmaker occupation includes

- (a) the constructing and repairing of wooden articles using woodworking machines and hand tools;
- (b) the studying of blueprints or drawings of articles to be made;
- (c) the marking of outlines or dimensions of parts on paper or lumber stock;
- (d) the matching of materials for colour, grain or texture;
- (e) the setting up and operating of woodworking machines, including power saws, jointers, mortisers, tenoners, moulders, and shapers, to cut and shape parts from stock;
- (f) the forming of component parts of joints to make them fit snugly, boring holes for insertion of screws or dowels;
- (g) the gluing, fitting and clamping of parts and sub-assemblies together to form complete units;
- (h) the driving of nails and other fasteners into joints to reinforce them and the sanding and scraping of surfaces to prepare them for finishing;
- (i) the coating of assembled articles with materials such as stains, varnishes or paint by dipping, brushing or spraying;
- (j) the installing of hardware such as hinges, catches and drawer pulls;
- (k) the estimating of the cost of materials; and
- (l) the using of cad cam programs and automated equipment.

A handwritten signature in black ink, appearing to read "Scott T. Jones", written over a horizontal line.
